

CURRICULUM VITAE

PERSONAL INFORMATION

Name **ALESSANDRO RAMBALDI**
Address *Piazza, OMS, 1 24127 - BERGAMO*
Phone +39 035 2673683
Fax +39 035 2674968
E-mail *arambaldi@asst-pg23.it*
Citizenship *Italian*
Place and date of birth *Bologna, 22 Agosto 1955*

EDUCATION

1981 Medical Degree, University of Milan Italy, *Maximum cum laude* (Medical licence number: 06151)
1985 Board in Clinical Pharmacology, University of Milan
1991 Board in Hematology, University of Bari Italy
2005 Qualification as Associate Professor in Hematology, University of Modena, Italy
2016 Full professor in Hematology University of Milan, Italy

WORK EXPERIENCE

Research Fellowship

1982-1988 Research Associate in the laboratory of Human Immunology, "Mario Negri" Institute Milan Italy
1986-1987 Research Associate in Pathology, Dana Farber Cancer Institute, Division of Tumor Immunology, Harvard Medical School, Boston, Mass., USA
1988-1989 Senior Scientist "Mario Negri" Institute for Pharmacological Research, Bergamo Italy
1991-1994 Head Unit of Molecular Biology of Blood Diseases Mario Negri, Bergamo, Italy

Professional Position

1989 Physician staff, Division of Hematology, Ospedali Riuniti di Bergamo Italy
1994 Senior Consultant in Hematology, Ospedali Riuniti di Bergamo Italy
1999-now Head of Bone Marrow Transplantation Program, Ospedali Riuniti di Bergamo Italy
2006-2012 Head Unit of Hematology, Ospedali Riuniti di Bergamo Italy
2013-now Head Unit of Hematology (USC Ematologia) A .O. Papa Giovanni XXIII Piazza OMS, 1 - 24127 Bergamo Italy
2013- now Head of Oncology and Hematology Department - A .O. Papa Giovanni XXIII Piazza OMS, 1 - 24127 Bergamo Italy
2016-now Full Professor in Hematology, University of Milan

Professional Societies

1991 Member of the Italian Society of Experimental Hematology
1993 Member of the American Society of Hematology
1993 Member of the European Haematology Association
1994 Member of the European Group for Blood and Marrow Transplantation (EBMT)
1998 Member of the American Society of Gene Therapy
2000 Board Italian Group Bone Marrow Transplantation (GITMO)
2002 Board Joint Accreditation Committee ISCT-EBMT (JACIE)
2004 Member of the American Society for Blood and Marrow Transplantation
2010 Vice President JACIE
2011-2014 President Italian Group Bone Marrow Transplantation (GITMO)
2013-2015 President JACIE

Teaching Activities

2004-2013 Post graduate School of Hematology, University of Milan-Bicocca, Monza, Italy
2016 Full professor in Hematology University of Milan

Main research grants

1985-1987 Italian CNR: "T-cell receptor gene rearrangement in normal and leukemic NK cells", Progetto finalizzato Oncologia
1988-1992 Italian CNR: "Mechanisms of graft rejection and targeted immune suppressive therapy in an experimental murine model", Progetto finalizzato Biotecnologie Biostrumentazioni
1988-1990 Italian Association for Cancer Research (AIRC): "Role of abnormal expression of Colony Stimulating Factors in leukemia cell growth"
1991-1992 Italian Association for Cancer Research (AIRC): "Molecular Characterization of t(15;17) in acute promyelocytic leukemia
1992-1993 Italian CNR: "t(15;17) in acute promyelocytic leukemia", Progetto finalizzato Acro
1995-1998 Italian Association for Cancer Research (AIRC): "Molecular cloning of GM-CSF regulated genes in AML cells"
1998-2000 Italian CNR: "Marker Gene transduction of hematopoietic human cells"
1998-2001 Italian Association for Cancer Research (AIRC): "Innovative strategies of hematopoietic stem cell transplantation"
2001-2003 Italian Association for Cancer Research (AIRC): "New strategies of cell therapy in hematologic malignancies"
2004-2007 Italian Association for Cancer Research (AIRC): "Adoptive cellular therapies in hematological malignancies"
2005-2009 NIH grant from Tissue Bank (Core C) on Chronic Myeloproliferative disorders Research Consortium
2010- Now Italian Association for Cancer Research (AIRC): "An integrate platform for molecular studies and clinical trials in chronic myeloproliferative neoplasms (AGIMM)"
2010-Now Italian Association for Cancer Research (AIRC): "Innate Immunity in Cancer: molecular targeting and cellular therapy (IIC)"

Referee for scientific journals

1990-2016
- Blood
- Journal of Clinical Oncology
- Proceedings of The National Academy of Science (PNAS)
- Lancet Oncology
- Leukemia
- Bone Marrow Transplantation
- Biology of Blood and Marrow Transplantation
- Leukemia and Lymphoma
- Haematologica
- Annals of Oncology
- Leukemia Research
- Experimental Hematology
- Annals of Hematology
- British Journal of Haematology
- European Journal of Cancer
- PlosOne
- Haematological Oncology

Research interest

1. Non Hodgkin Lymphomas and Acute Leukemias
2. Hematopoietic stem cell transplantation
3. Chronic Myeloproliferative Neoplasms
4. Involved in several phase I, II, III clinical trials under GCP rules since 2003

Publications

400 peer reviewed publications

I authorize to the treatment of the data to the senses of the law 196/03

Bergamo, July-06-2016

Alessandro Rambaldi
